With the increase in police violence toward African American youth, discuss factors that contribute to this issue and identify solutions that the community can put in place to affirm that Black lives matters.

In the wake of many racially stemmed incidents, individuals have supported various causes through the use of social media. Do you think this is a viable strategy for expressing one's views? If yes, how can this strategy be implemented, and what are the advantages? If no, why not, and what are the disadvantages? Also, provide other strategies that can be explored, and provide insight on how these strategies can be implemented, in order to young people to properly express their voice.
